Certification Courses

Early Childhood Outdoor Play Inspectors Program

Target Audience: Independent Consultants, Child Care Resource and Referral Agencies, Licensing Consultants, Military Personnel of child safety, Child Care Directors.

School Outdoor Play Inspectors Program

Target Audience: Maintenance Directors, School Administration, Independent Consultants.

*These interactive online courses will give you knowledge and understanding to inspect the outdoor play area for safety. The pictures, discussions, readings, and assignments will help create an experience level necessary to be a **Certified Early Childhood Outdoor Play Inspector** or **Certified School Outdoor Play Inspector**.*

Length of Each Course: 4 weeks

* to be completed on your own time!

Clock Hours for Each Course: 12 hours, 1.2 CEU

Cost of Each Course: \$495.00 or \$750 for both

*** Includes:**

- Course and technical assistance
- Certification (valid for 3 years)
- National Registry List (upon passing course)
- Course Materials
 - * NPPS's Child Care Assessment Kit (Early Childhood Course) or NPPS School Assessment Kit (School Course)
 - * *SAFE Play Areas: Creation, Maintenance, & Renovation* Textbook

Child Care Courses

Playground Supervision for Child Care Providers

This online class covers the areas that will allow providers to learn supervision practices in an outdoor play environment. The course includes instructional videos, pictures, and written information that will give you new ideas and techniques to implement at your center.

Length of Course: 2 weeks

* to be completed on your own time!

Clock Hours: The course takes 1 hour to complete.

Cost: \$20.00

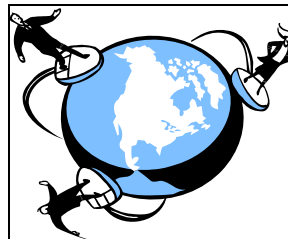

* \$10.00 additional fee for .1 CEU

*** Includes:**

- Course and technical assistance
- Certificate of Completion

Endorsed by:

- * Delaware's Office of Child Care Licensing
- * Indiana Bureau of Child Development
- * Kansas Bureau of Child Care and Health Facilities
- * North Carolina Department of Health and Human Services Division of Child Development

School Courses

Playground Supervision Training for Elementary Schools

This online course covers areas that will allow playground supervisors to learn S.A.F.E supervision practices. The video, pictures, and graphics that are used in the course will give you new ideas and techniques to implement at your school.

Target Audience: Teachers, Principals, Administrators, and Supervisors.

Playground Maintenance for Front Line Workers

This interactive online course covers areas that will discuss how to prevent playground injuries through proper maintenance. The course will cover the most common hazards found on playgrounds.

Target Audience: Custodians, Frontline Maintenance Personnel, Risk Managers, Supervisors, and Administrators.

Length of Each Course: 2 weeks

* to be completed on your own time!

Clock Hours: Each course takes 1 hour to complete.

Cost of Each Course: \$20.00

* \$10.00 additional fee for .1 CEU

*** Includes:**

- Course and technical assistance
- Certificate of Completion
